Case No. CIV-23-0264-HE

**CLASS REPRESENTATIVE’S MOTION FOR FINAL APPROVAL
OF CLASS ACTION SETTLEMENT & BRIEF IN SUPPORT**

Class Representatives Wake Energy, LLC and Frederick M. Scott III, Trustee of the
Scott Family Trust (“Class Representatives” or “Plaintiffs”), moves the Court for final
approval of the:

1. Proposed Class Action Settlement;
2. Notice of Settlement and Plan of Notice; and
3. Proposed Initial Plan of Allocation.

Class Representative’s proposed Judgment is attached as **Exhibit 1**, and Declaration of W.

Patrick Martindale with Initial Plan of Allocation is attached as **Exhibit 2**.¹ With no objections filed to date and with only one (1) of the thousands of potential class members purporting to opt-out as of this filing, Class Representative submits that the Settlement is fair, reasonable, and adequate and should be finally approved. **Ex. 3 and 4**, Declarations of Class Representatives (“Class Rep. Decl.”).²

BACKGROUND

In the interest of brevity, Class Representative will not recite the entire background of this Litigation. Rather, Class Representative refers the Court to the Motion for Preliminary Approval (Doc. 60), the Joint Declaration of Class Counsel (“Joint Counsel Decl.”) (**Exhibit 5**), the pleadings on file, and any other matters of which the Court may take judicial notice, all of which are incorporated as if fully set out in this memorandum.

On July 23, 2024, the Court issued an order preliminarily approving the Settlement, approving the Plan of Notice, and setting a date of November 4, 2024 for the Final Fairness Hearing. Doc. 63 at 9, ¶ 13 (“Preliminary Approval Order”). The Court also approved the Notices of Proposed Settlement of Class Action (“Class Notices”), for mailing and publication. *Id.* at 6–8. The Court ordered that Notice be given to Class Members in accordance with the Plan of Notice as outlined in the Settlement Agreement and found that the Notices being provided “are the best notice practicable under the circumstances,

¹ The proposed judgment was attached as Exhibit 2 to the Settlement Agreement (“SA”), Doc. 60-1. Class Counsel will also submit native versions of the proposed orders to the Court in advance of the Final Fairness Hearing and after the opt-out and objection deadlines (October 14, 2024) have passed.

² Capitalized terms not otherwise defined shall have the meaning ascribed to them in the SA.

constitute due and sufficient notice to all persons and entities entitled to receive such notice, and fully satisfy the requirements of applicable laws, including due process and Federal Rule of Civil Procedure 23.” *Id.* at 6, ¶ 8. Since preliminary approval, Notice was mailed, by first-class mail, as ordered by the Court, to thousands of potential members of the Settlement Class between August 22, 2024, and the present. **Ex. 6**, Declaration of Jennifer M. Keough Regarding Notice of Settlement (“Keough Decl.”) at 3, ¶¶ 6–9. Notice was also published on the settlement website and, on August 29, 2024, in *The Oklahoman* and *The Tulsa World*. *Id.* at 4, ¶¶ 10.

The facts regarding certification haven’t changed since the Court entered the Preliminary Approval Order—class certification remains proper. A general plan of allocation was described in the Notices, along with the other material terms of the Settlement Agreement. *See Ex. 6*, Keough Decl. at Exs. A, C; SA, Doc. 50-1. Consistent with the Notices and the Plan of Allocation, the preliminary allocation shows the proposed distributions to each member of the Settlement Class and an amount of distribution. The Initial Plan of Allocation—prepared by Plaintiff’s expert, W. Patrick Martindale—assumes the Court approves the requests for reimbursement of Litigation Expenses and Administration, Notice, and Distribution Costs, and the requests for Plaintiff’s Attorneys’ Fees and a Case Contribution Award. The Settlement Agreement contemplates that Class Representative will move the Court for a Distribution Order based upon a Final Plan of Allocation within sixty (60) days after the Effective Date, with the benefit of the Court’s ruling on those requests. *See Doc. 60-1* at 29, ¶ 6.4.

Following mailing of the Notices, Members of the Settlement Class have seventy-five

(75) days to request exclusion or file an objection. Only one (1) request for exclusion and zero objections have been received as of the time of this filing.³ *See* **Ex. 6**, Keough Decl. at 5 ¶¶ 15–18. The small number of opt-outs and no objections to the Settlement thus far support the conclusion that the Settlement and Plan of Allocation are fair, adequate, reasonable, and in the best interests of the Settlement Class such that final approval should be granted.

ARGUMENT & AUTHORITY

The Court should grant final approval of the Settlement. The procedure for reviewing a proposed class action settlement is a well-established two-step process. First, the Court conducts a preliminary analysis to determine if the settlement should be preliminarily approved such that the class should be notified of the pendency of a proposed settlement. *Manual for Complex Litigation* § 21.632 (4th ed. 2004). Second, the class is notified and provided an opportunity to be heard at a fairness hearing before the settlement is finally approved. *Alba Conte & Herbert B. Newberg, Newberg on Class Actions* § 11.25, at 38 (4th ed. 2002). The Court already carried out this first step with its Preliminary Approval Order, and notice was effectuated pursuant to the terms of the Settlement Agreement and in the form and manner approved by the Court. *See* **Ex. 6**, Keough Decl. at 2–5, ¶¶ 4–14. As to the final step, courts in the Tenth Circuit consider four factors when deciding whether to finally approve a class action settlement:

- a. Whether the proposed settlement was fairly and honestly negotiated;

³ Because this Motion is due before the exclusion and objection deadlines (October 14, 2024), Class Representative will submit a supplement detailing the requests for exclusion and objections, if any, received and indicate those that were properly submitted.

- b. Whether serious questions of law and fact exist, placing the ultimate outcome of the litigation in doubt;
- c. Whether the value of an immediate recovery outweighs the mere possibility of future relief after protracted and expensive litigation; and
- d. Whether, in the parties' judgment, the settlement is fair and reasonable.

See Rutter & Wilbanks Corp. v. Shell Oil Co., 314 F.3d 1180, 1188 (10th Cir. 2002); *Jones v. Nu-clear Pharmacy, Inc.*, 741 F.2d 322, 324 (10th Cir. 1984); *see also* Fed. R. Civ. P. 23(e)(2). Each factor supports final approval of the Settlement here.

1. The Court Properly Certified the Settlement Class for Settlement Purposes and Should Confirm this Finding by Finally Certifying the Settlement Class Under Rule 23

Before addressing the four factors, the Court must find class certification remains appropriate for settlement purposes. The Court already certified the following Settlement Class:

All non-excluded persons or entities who: (1) received payments outside the time frame provided for in the PRSA from Defendants (or Defendants' designee) for oil, gas, and natural gas liquids proceeds from Oklahoma wells, or whose proceeds from Oklahoma wells were sent as unclaimed property to a government entity by Defendants; and (2) whose payments or whose unclaimed property payments did not include statutory interest pursuant to the PRSA.

Excluded from the Class are: (1) Defendants, their affiliates, predecessors, and employees, officers, and directors; and (2) agencies, departments, or instrumentalities of the United States of America or the State of Oklahoma; (3) any Indian Tribe as defined at 30 U.S.C. § 1702(4) or Indian allottee as defined at 30 U.S.C. § 1702(2); (4) persons or entities that Plaintiffs' counsel may be prohibited from representing under Rule 1.7 of the Oklahoma Rules of Professional Conduct; (5) publicly traded oil and gas companies and their affiliates; (6) Continental Exploration LLC; (7) Tiptop Oil & Gas LLC; (8) Gai-Jin Trading Company LLC; (9) Natixis New York Branch; (10) DFE Holdings

LLC; (11) Toronto Dominion (Texas) LLC; (12) ING Capital LLC; (13) Wells Fargo Bank NA; (14) Citibank NA; (15) Barclay's Bank PLC; (16) BOKF Petro Holdings LLC; (17) PNC Bank National Association; (18) The Derlam Company; and (19) ING Capital Markets LLC.

Doc. 63 at 3, ¶ 3. Class certification remains proper under Rule 23(a) and (b)(3) for settlement purposes for the reasons set forth in the Preliminary Approval Motion (*see* Doc. 60). And Defendants consent to certification of the Settlement Class for the purpose of settlement.

The prerequisites for class certification under Rule 23(a) and (b)(3) are satisfied. First, Rule 23(a)(1)'s numerosity requirement is satisfied because the Settlement Class consists of thousands of owners, whose joinder would be impracticable. **Ex. 6**, Keough Decl. at 2-3, ¶ 4-5; *see also Trevizo v. Adams*, 455 F.3d 1155, 1161–62 (10th Cir. 2006). Second, Rule 23(a)(2)'s commonality requirement is met because “many questions of law and fact exist that could be answered uniformly for the Settlement Class using common evidence.” *Tyson Foods, Inc. v. Bouaphakeo*, 136 S. Ct. 1036, 1045 (2016); *see also Menocal v. GEO Grp., Inc.*, 882 F.3d 905, 914 (10th Cir. 2018) (“A finding of commonality requires only a single question of law or fact common to the entire class” (internal citations omitted)). Each of these common issues stems from a common body of law—the statutory law of the State of Oklahoma. The real property interests at issue are property located in the State of Oklahoma, and the payments at issue are governed by Oklahoma substantive law. Thus, any choice of law analysis would result in the application of Oklahoma law to the legal claims and, as such, there are no other states' laws implicated by this action, nor any other choice of law issues that could affect the Court's commonality analysis here. *See id.* Third, Rule

23(a)(3)'s typicality requirement is satisfied because Defendants treated all owners the same for purposes of proceeds payments, the same legal theories and fact issues underlie each Class Member's claims, and all Class Members suffered the same type of injury arising out of the same facts that can be proven by the same, common evidence. *DG ex rel. Stricklin v. Devaughn*, 594 F.3d 1188, 1198-99 (10th Cir. 2010). Finally, Rule 23(a)(4)'s adequacy of representation requirement is satisfied because there are no conflicts—minor or otherwise—between Class Representative and the other Class Members. **Exs. 3 and 4**, Class Rep. Decl.; *see Tennille v. Western Union Co.*, 785 F.3d 422, 430 (10th Cir. 2015) (“Only a conflict that goes to the very subject matter of the litigation will defeat a party’s claim of representative status.”) (internal citation omitted). Class Representative and Class Counsel have prosecuted the Litigation vigorously and Class Counsel is unquestionably qualified to represent the Class here. *See Ex. 5*, Joint Counsel Decl. at 2–7, ¶¶ 1–25.

Additionally, Rule 23(b)(3)'s predominance and superiority requirements are satisfied here. *Tyson Foods*, 136 S. Ct. at 1045; *Menocal*, 882 F.3d 905, 914–15 (“[T]he predominance prong asks whether the common, aggregation-enabling, issues in the case are more prevalent or important than the non-common, aggregation-defeating, individual issues” (citations omitted)); *In re Urethane Antitrust Litig.*, 768 F.3d 1245, 1255 (10th Cir. 2014); *CGC Holding Co., LLC v. Broad & Cassel*, 773 F.3d 1076, 1087 (10th Cir. 2014). The predominance requirement is met because the substantive claims are all common (Oklahoma law under Oklahoma choice-of-law principles) as are the aggregation-enabling issues of fact (chiefly, Defendants’ common course of late payments without interest to Class Members). The common questions under the shared law predominate over and are

more important than any potential individual issues that theoretically could arise in the Litigation. And the superiority requirement is satisfied because resolving the Litigation through the class-wide Settlement is far superior to any other method for fairly and efficiently adjudicating these claims.

The Court properly certified the Settlement Class and, because Class Representative has proven that each of the requirements for certification under Rule 23(a) and (b)(3) remain satisfied, this finding should be confirmed with the final certification of the Settlement Class under Rule 23.

2. The Court Should Grant Final Approval of the Settlement

The Court should finally approve the Settlement as fair and reasonable. The Court has broad discretion in deciding whether to grant approval of a class action settlement. *Jones*, 741 F.2d at 324. “As a general policy matter, federal courts favor settlement, especially in complex and large-scale disputes, so as to encourage compromise and conserve judicial and private resources.” *In re Global Crossing Sec. & ERISA Litig.*, 225 F.R.D. 436, 455 (S.D.N.Y. 2004); *see also In re Warfarin Sodium Antitrust Litig.*, 391 F.3d 516, 535 (3d Cir. 2004) (“[T]here is an overriding public interest in settling class action litigation, and it should therefore be encouraged.”). As demonstrated below, each of the four factors identified by the Tenth Circuit weighs in favor of final approval.

A. The Settlement is the product of extensive arm’s-length negotiations between experienced counsel.

The fact that the Settlement was fairly and honestly negotiated by qualified, experienced counsel supports final approval. *See Reed v. GM Corp.*, 703 F.2d 170, 175 (5th

Cir. 1983) (“[T]he value of the assessment of able counsel negotiating at arm’s length cannot be gain-said.”). The fairness of the negotiation process is to be examined with reference to the experience of counsel, the vigor with which the case was prosecuted, and any coercion or collusion that may have affected the negotiations.

Here, the Settlement is the product of extensive arm’s-length negotiations between the Parties’ experienced counsel at mediation presided over by Bradley A. Gungoll. *See Ex. 5*, Joint Counsel Decl. at 5 - 6, ¶¶ 15-17. The use of a formal settlement process supports the conclusion that the Settlement was fairly and honestly negotiated. *See Ashley v. Reg’l Transp. Dist.*, No. 05-CV-01567-WYD-BNB, 2008 WL 384579, at *6 (D. Colo. Feb. 11, 2008) (finding settlement fairly and honestly negotiated where the parties engaged in formal settlement mediation and negotiations over four months). And the assistance of an experienced mediator “in the settlement negotiations strongly supports a finding that they were conducted at arm’s-length and without collusion.” *In re Telik, Inc. Sec. Litig.*, 576 F. Supp. 2d 570, 576 (S.D.N.Y. 2008). Here the parties engaged an experienced mediator whose involvement culminated in a classwide settlement.

Additionally, Class Counsel has unique experience with oil-and-gas royalty underpayment and late payment class actions. Brady Smith Law and Randy C. Smith and Associates, PLLC, regularly represent plaintiffs in oil-and-gas class actions and have obtained settlements in numerous underpayment or late payment class actions in Oklahoma

state and federal courts.⁵

Class Counsel are experienced and qualified counsel and represented the Settlement Class honestly and fairly during the Litigation and settlement negotiations. *See Ex. 5*, Joint Counsel Decl. at 1–5, ¶¶ 1–26.

Class Counsel’s experience positioned them well to comprehensively examine the large amount of information and data produced in the Litigation, enabling the Parties to make informed decisions about the strengths and weaknesses of their respective cases. *See, e.g., Id.* at 3–5, ¶¶ 10–26; *Childs v. Unified Life Ins. Co.*, No. 10-CV-23-PJC, 2011 WL 6016486, at *12 (N.D. Okla. Dec. 2, 2011). Further, Class Representatives were involved in the negotiations and believe the settlement process resulted in an excellent recovery for the Settlement Class. *See Exs. 3 and 4*, Class Rep. Decl. Class Representatives expended time and resources prosecuting the Litigation, including communicating with Class Counsel, providing documents and information, and participating in the negotiations that led to the Settlement. *Id.* The Parties and their lawyers were well prepared for the serious and intelligent negotiations that ultimately led to the Settlement.

⁵ *See e.g. OGP, LLC v. Contango Resources, LLC*, No. 22-CV-382-JFH-JFJ (N.D. Okla. 2022); *Indianola Resources, LLC, et al. v. Calyx Energy III, LLC*, No. 21-CV-235-GLJ (E.D. Okla. 2021); *Rice v. Burlington Res. Oil & Gas Co. LP*, No. 20-CV-431-GKF-SH (N.D. Okla. 2020); *Wake Energy, LLC v. EOG Res. Inc.*, No. 20-CV-183-ABJ (D. Wyo. 2020); *Mitchell v. Red Bluff Res. Operating, LLC*, No. CJ-21-323 (D.C. Canadian County); *El Dorado v. Coffeyville Res. Refining & Marketing, LLC*, No. 21-CV-00542-GKF-JFJ (N.D. Okla. 2021); *Ritter v. Foundation Energy Management, LLC, et al.*, No. 22-CV-246-JFH (E.D. Okla. 2022); *Broadbent v. Presidio Petroleum, LLC*, No. CV-22-15 (D.C. Roger Mills County); *GOP, LLC v. Merit Energy Company, LLC*, Case No. CIV-22-278-JDR-JAR (E.D. Okla. 2022).

These facts demonstrate the Settlement resulted from serious, informed, and non-collusive negotiations between skilled and dedicated attorneys. The first factor supports final approval.

B. Serious questions of law and fact exist, placing the ultimate outcome in doubt.

The existence of serious questions of law and fact place the ultimate outcome of this Litigation in doubt, and such doubt “tips the balance in favor of settlement because settlement creates a certainty of some recovery and eliminates doubt, meaning the possibility of no recovery after long and expensive litigation.” *McNeely v. Nat’l Mobile Health Care, LLC*, No. 07-CV-933-M, 2008 WL 4816510, at *13 (W.D. Okla. Oct. 27, 2008) (internal citations omitted).

There are numerous factual and legal issues about which the Parties disagree—issues that would ultimately be decided by a court or a jury. Despite Class Representative’s optimism regarding their chances at class certification and trial, the Parties vehemently disagree on numerous factual and legal issues, and Defendants deny any wrongdoing giving rise to liability for late payment of oil-and-gas proceeds. Settlement renders the resolution of these issues unnecessary and provides a guaranteed recovery in the face of uncertainty. Because this Litigation presents serious issues of law and fact that place the ultimate outcome in doubt, the second factor supports final approval of the Settlement.

C. The value of immediate recovery outweighs the mere possibility of future relief after long and expensive litigation.

The complexity, uncertainty, expense, and likely duration of further litigation and appeals also support approval of the proposed Settlement. The immediate value of

the \$4,200,000.00 cash recovery alone outweighs the uncertainty, additional expense, and likely duration of further litigation. The Settlement Class are “better off receiving compensation now as opposed to being compensated, if at all, several years down the line, after the matter is certified, tried, and all appeals are exhausted.” *See McNeely*, 2008 WL 4816510, at *13. The Settlement represents a meaningful recovery for the Settlement Class without the risk or additional expense of further litigation. These immediate benefits must be compared to the risk that the Settlement Class may recover nothing after class certification, summary judgment, trial, and likely appeals, possibly years into the future. *See In re Sprint Corp. ERISA Litig.*, 443 F. Supp. 2d 1249, 1261 (D. Kan. 2006). Furthermore, the Settlement also provides Future Benefits to the Settlement Class, which are estimated to have a value up to \$7,285,000.00, for a Gross Settlement Value of \$11,485,000.00. *See Ex. 2*, Martindale Decl. at 4, ¶ 7.

While Class Counsel is confident in their ability to prove the claims asserted, they also recognize liability is far from certain and many potential obstacles to obtaining a final, favorable verdict exist. Even if Class Representative was able to establish liability at trial, Defendants would have vigorously argued the Settlement Class’ damages are far less than the Settlement and raised a number of defenses to further whittle down the damages. Through the Settlement, the Settlement Class are guaranteed a cash payment without the attendant risks of further litigation.

Class Counsel is intimately familiar with the risks of proceeding with the Litigation because they have extensive experience prosecuting oil-and-gas class actions. *See Ex. 5*, Joint Counsel Decl. at 2–3, ¶¶1-2. Class Counsel believes the value of the Settlement outweighs

the risks of proceeding further with the Litigation. *Id.* at 13, ¶ 44. When the risks and uncertainties of continuing the Litigation are compared to the immediate benefits, as well as future benefits of the Settlement, it is clear the Settlement is fair, reasonable, and in the best interests of the Settlement Class. The third factor supports final approval of the Settlement.

D. The Parties agree the Settlement is fair and reasonable.

The fact that Class Representatives and Defendants believe the Settlement is fair and reasonable supports final approval. Class Counsel and Class Representative only agreed to settle the Litigation after considering the substantial benefits the Settlement Class will receive, the risks and uncertainties of continued litigation, and the desirability of proceeding under the terms of the Settlement Agreement.

Class Counsel’s judgment as to the fairness of the Settlement also supports final approval. “Counsel’s judgment as to the fairness of the [settlement] agreement is entitled to considerable weight.” *Childs*, 2011 WL 6016486, at *14 (citation omitted). Class Counsel believes the terms and conditions of the Settlement are fair, reasonable, and adequate to the Settlement Class, and the Settlement is in the Class Members’ best interests. *See Ex. 5*, Joint Counsel Decl. at 7, ¶ 24. This last factor fully supports the Court’s final approval of the Settlement. Indeed, all four factors considered by courts in the Tenth Circuit support final approval of the Settlement.

3. The Notice Method Used was the Best Practicable Under the Circumstances and Should be Approved

The Court should approve the Notice given to the Settlement Class. Rule 23(c)(2)(B) requires that notice of a settlement be “the best notice practicable under the circumstances,

including individual notice to all members who can be identified through reasonable effort.” Fed. R. Civ. P. 23(c)(2)(B). Also, Rule 23(e)(1) instructs courts to “direct notice in a reasonable manner to all class members who would be bound by the proposal.” Fed. R. Civ. P. 23(e)(1). In terms of due process, a settlement notice need only be “reasonably calculated, under all the circumstances, to apprise interested parties of the pendency of the action and afford them an opportunity to present their objections.” *Fager v. CenturyLink Comm’ns, LLC*, 854 F.3d 1167, 1171 (10th Cir. 2016) (citing *Mullane v. Cent. Hanover Bank & Trust Co.*, 339 U.S. 306, 314 (1950)). “The Supreme Court has consistently endorsed notice by first-class mail,” holding “a fully descriptive notice . . . sent first-class mail to each class member, with an explanation of the right to ‘opt out,’ satisfies due process.” *Id.* at 1173. Here, the Notice campaign carried out by Class Counsel and the Settlement Administrator is substantially comparable to notice campaigns completed in other oil-and-gas class actions approved by district courts in Oklahoma, including this Court.

In its Preliminary Approval Order, the Court preliminarily approved the form and manner of the Notice disseminated by the Settlement Administrator, finding the Notices “are the best notice practicable under the circumstances, constitute due and sufficient notice to all persons and entities entitled to receive such notice, and fully satisfy the requirements of applicable laws, including due process and Federal Rule of Civil Procedure 23.” Doc. 63 at 6 - 7, ¶ 8, 9. The Court directed dissemination of the Notices in accordance with the Settlement Agreement and the Preliminary Approval Order. *Id.*

The Notice was mailed to thousands of potential Class Members and further diligence was conducted to ascertain proper mailing addresses. **Ex. 6**, Keough Decl. at 2–4, ¶¶ 4–9. In

addition, the Court-approved Notice was published on August 29, 2024, in two newspapers of local circulation, *The Oklahoman* and *The Tulsa World*. *Id.* at 4, ¶ 10. The Notice materially informed Class Members about the Litigation, the Settlement, and the facts needed to make informed decisions about their rights. Also, the Notice, along with other documents germane to the Settlement, were posted on the website created for and dedicated to this Litigation, beginning on August 22, 2024. *Id.* at 4, ¶¶ 11–12. This website is maintained by the Settlement Administrator, where additional information regarding the Settlement can be found. *Id.* www.wakevmachbce.com beginning on August 22, 2024. *Id.* at 4, ¶¶ 11–12. This website is maintained by the Settlement Administrator, where additional information regarding the Settlement can be found. *Id.*

In sum, the form, manner, and content of the Notice campaign were the best practicable notice, and their contents were reasonably calculated to, and did, apprise Class Members of the pendency and nature of the Settlement and affords them an opportunity to opt out or object. Therefore, the Court should grant final approval of the Notice given to the Settlement Class here.

4. The Initial Plan of Allocation Should Be Approved

The Court should also approve the proposed Initial Plan of Allocation, which is attached as Exhibit 1 to the Martindale Declaration (**Ex. 2**). Like the Settlement itself, a plan of allocation must also be approved as fair and reasonable. *See In re Sprint Corp. ERISA Litig.*, 443 F. Supp. 2d at 1262 (citing *In re Global Crossing Sec. & ERISA Litig.*, 225 F.R.D. at 462). Where, as here, a plan of allocation is formulated by competent and experienced class counsel, the plan need only have a reasonable, rational basis. *Id.* As a general rule, a

plan of allocation that reimburses class members based on the type and extent of their injuries is reasonable. *Id.*; *see also, e.g.*, Initial Plan of Allocation Order (Doc. 504), *Rhea v. Apache Corporation*, No. 14-CV-00433-JH, (E.D. Okla. Sept. 29, 2014); Initial Plan of Allocation Order (Doc. 23), *Chieftain Royalty Company v. XTO Energy, Inc.*, No. 11-CV-00029-KEW (E.D. Okla. Mar. 27, 2018).

Class Counsel, together with Plaintiff's expert, have formulated the Initial Plan of Allocation by which Class Members will be reimbursed proportionately relative to the extent of their injuries for late payment of oil-and-gas proceeds. Importantly, this is not a claims-made settlement, nor is it a settlement where a Class Member must take further action to participate. Instead, every Class Member who did not effectively opt out of the Settlement will receive a check or credit for their allocation of the Net Settlement Fund, subject to a *de minimis* threshold of \$5.

Specifically, the Net Settlement Fund will be allocated to individual Class Members proportionately within the Settlement Class based on the amount of statutory interest owed on the original underlying payment that allegedly occurred outside the time periods required by the PRSA, with due regard for the production date, the date the underlying payment was made, the amount of the underlying payment, the time periods set forth in the PRSA, and any additional statutory interest that Class Counsel believes has since accrued. Pursuant to the SA, the Initial Plan of Allocation further assumes a reduction for Plaintiff's Attorneys' Fees, Litigation Expenses, Administration, Notice, and Distribution Costs, and a potential Case Contribution Award, which amounts will ultimately be determined by the Court at the Final Fairness Hearing.

Class Representative and Class Counsel, with the aid of the Settlement Administrator, will allocate the Net Settlement Fund proportionately among all Class Members. A Distribution Check for each Class Member's allocation of the Net Settlement Fund will then be mailed to each respective Class Member's last known mailing address, using the payment history data produced. Returned or stale-dated Distribution Checks shall be reissued as necessary to effectuate delivery to the appropriate Class Members using commercially reasonable methods.

Because the proposed Initial Plan of Allocation was formulated by competent and experienced Counsel and is based on the type and extent of each Class Member's particular loss, the Court should approve it as fair, reasonable, and adequate.

CONCLUSION

Class Representative and Class Counsel respectfully request that the Court enter the proposed Judgment, attached as **Exhibit 1**.⁴ The proposed Judgment grants: (1) final certification of the Settlement Class; (2) final approval of the Settlement as fair, reasonable, and adequate, and in the best interests of the Settlement Class; and (3) final approval of the Notice to Class Members. Class Representative and Class Counsel also respectfully request that the Court enter the proposed Initial Plan of Allocation Order, attached Exhibit 1 to Martindale Declaration, attached as **Exhibit 2**, to govern the allocation and distribution of the Net Settlement Fund to Class Members.

⁴ **Exhibit 1** reserves space for the Court to rule on objections, if any, and determine the approved requests for exclusion.

This is a class action lawsuit brought by Plaintiffs Wake Energy, LLC and Frederick M. Scott III, Trustee of the Scott Family Trust (“Class Representatives” or “Plaintiffs”), on behalf of themselves and as a representatives of a class of owners (defined below), against BCE-Mach, LLC, BCE-Mach II, LLC and BCE-Mach III, LLC (“Defendants”) (“Plaintiffs” and “Defendants” collectively the “Parties”), for the alleged failure to pay statutory interest on payments made outside the time periods set

forth in the Production Revenue Standards Act, 52 Okla. St. § 570.1 *et seq.* (the “PRSA”) for oil production proceeds from wells in Oklahoma. On [insert date], the Parties executed a Stipulation and Agreement of Settlement (the “Settlement Agreement”) finalizing the terms of the Settlement.¹

On July 23, 2024, the Court preliminarily approved the Settlement and issued an Order Granting Preliminary Approval of Class Action Settlement, Certifying the Class for Settlement Purposes, Approving Form and Manner of Notice, and Setting Date for Final Fairness Hearing (the “Preliminary Approval Order”). In the Preliminary Approval Order, the Court, *inter alia*:

- a. certified the Settlement Class for settlement purposes, finding all requirements of Federal Rule of Civil Procedure 23 have been satisfied with respect to the proposed Settlement Class;
- b. appointed Plaintiffs Wake Energy, LLC, and Frederick M. Scott, as Trustee of the Scott Family Trust, as Class Representatives, Plaintiff’s Counsel Randy C. Smith of Randy C. Smith and Associates and Brady L. Smith and of Brady Smith Law, PLLC as Co-Lead Class Counsel and Harry “Skeeter” Jordan of Brady Smith Law, PLLC as Additional Class Counsel;

¹ Capitalized terms not otherwise defined in this Order shall have the meaning ascribed to them in the Settlement Agreement.

- c. preliminarily found: (i) the proposed Settlement resulted from extensive arm's-length negotiations; (ii) the proposed Settlement was agreed to only after Class Counsel had conducted legal research and discovery regarding the strengths and weaknesses of Class Representatives' and the Settlement Class claims; (iii) Class Representatives and Class Counsel have concluded that the proposed Settlement is fair, reasonable, and adequate; and (iv) the proposed Settlement is sufficiently fair, reasonable, and adequate to warrant sending notice of the proposed Settlement to the Settlement Class; preliminarily approved the Settlement as fair, reasonable, and adequate and in the best interest of the Settlement Class;
- d. preliminarily approved the form and manner of the proposed Notices to be communicated to the Settlement Class, finding specifically that such Notices, among other information: (i) described the terms and effect of the Settlement; (ii) notified the Settlement Class that Plaintiff's Counsel will seek Plaintiff's Attorneys' Fees, reimbursement of Litigation Expenses and Administration, Notice, and Distribution Costs, and the Case Contribution Award for Class Representatives' services; (iii) notified the Settlement Class of the time and place of the Final Fairness Hearing; (iv) described the procedure for requesting exclusion from the Settlement; (v) described the procedure for objecting to the Settlement

- or any part thereof; and (vi) directed potential Class Members to where they may obtain more detailed information about the Settlement;
- e. instructed the Settlement Administrator to disseminate the approved Notices to potential members of the Settlement Class in accordance with the Settlement Agreement and in the manner approved by the Court;
- f. provided for the appointment of a Settlement Administrator;
- g. provided for the appointment of an Escrow Agent;
- h. set the date and time for the Final Fairness Hearing as November 4, 2024, at 10:00 A..M. in the United States District Court for the Western District of Oklahoma; and
- i. set out the procedures and deadlines by which Class Members could properly request exclusion from the Settlement Class or object to the Settlement or any part thereof.

After the Court issued the Preliminary Approval Order, due and adequate notice by means of the Notice and Summary Notice was given to the Settlement Class, notifying them of the Settlement and the upcoming Final Fairness Hearing. On November 4, 2024, in accordance with the Preliminary Approval Order and the Notice, the Court conducted a Final Fairness Hearing to, *inter alia*:

- a. determine whether the Settlement should be approved by the Court as fair, reasonable, and adequate and in the best interests of the Settlement Class;
- b. determine whether the notice method utilized by the Settlement Administrator: (i) constituted the best practicable notice under the circumstances; (ii)

constituted notice reasonably calculated under the circumstances to apprise Class Members of the pendency of the Litigation, the Settlement, their right to exclude themselves from the Settlement, their right to object to the Settlement or any part thereof, and their right to appear at the Final Fairness Hearing; (iii) was reasonable and constituted due, adequate, and sufficient notice to all persons and entities entitled to such notice; and (iv) meets all applicable requirements of the Federal Rules of Civil Procedure and any other applicable law;

c. determine whether to approve the Allocation Methodology, the Plan of Allocation, and distribution of the Net Settlement Fund to Class Members who did not timely submit a valid Request for Exclusion or were not otherwise excluded from the Settlement Class by order of the Court;²

d. determine whether a Judgment should be entered pursuant to the Settlement Agreement, *inter alia*, dismissing the Litigation against Defendant with prejudice and extinguishing, releasing, and barring all Released Claims against all Released Parties in accordance with the Settlement Agreement;

e. determine whether the applications for Plaintiff's Attorneys' Fees, reimbursement for Litigation Expenses and Administration, Notice, and Distribution Costs, and the Case Contribution Award to Class Representative are fair and reasonable and should be approved;³ and

² The Court will issue a separate order pertaining to the allocation and distribution of the Net Settlement Proceeds among Class Members (the "Initial Plan of Allocation Order").

³ The Court will issue separate orders pertaining to Plaintiff's Counsel's request for Plaintiff's Attorneys' Fees, reimbursement of Litigation Expenses and Administration, Notice, and

Distribution Costs, and Class Representative's request for the Case Contribution Award.

f. rule on such other matters as the Court deems appropriate.

The Court, having reviewed the Settlement, the Settlement Agreement, and all related pleadings and filings, and having heard the evidence and argument presented at the Final Fairness Hearing, now **FINDS, ORDERS, and ADJUDGES** as follows:

The Court, for purposes of this Final Judgment (the "Judgment"), adopts all defined terms as set forth in the Settlement Agreement and incorporates them as if fully set forth herein.

1. The Court has jurisdiction over the subject matter of this Litigation and all matters relating to the Settlement, as well as personal jurisdiction over Defendants and Class Members.

2. The Settlement Class, which was certified in the Court's Preliminary Approval Order, is defined as follows:

All non-excluded persons or entities who: (1) received payments outside the time frame provided for in the PRSA from Defendants (or Defendants' designee) for oil, gas, and natural gas liquids proceeds from Oklahoma wells, or whose proceeds from Oklahoma wells were sent as unclaimed property to a government entity by Defendants; and (2) whose payments or whose unclaimed property payments did not include statutory interest pursuant to the PRSA.

Excluded from the Class are: (1) Defendants, their affiliates, predecessors, and employees, officers, and directors; and (2) agencies, departments, or instrumentalities of the United States of America or the State of Oklahoma; (3) any Indian Tribe as defined at 30 U.S.C. §

1702(4) or Indian allottee as defined at 30 U.S.C. § 1702(2); (4) persons or entities that Plaintiffs' counsel may be prohibited from representing under Rule 1.7 of the Oklahoma Rules of Professional Conduct; (5) publicly traded oil and gas companies and their affiliates; (6) Continental Exploration LLC; (7) Tiptop Oil & Gas LLC; (8) Gai-Jin Trading Company LLC; (9) Natixis New York Branch; (10) DFE Holdings LLC; (11) Toronto Dominion (Texas) LLC; (12) ING Capital LLC; (13) Wells Fargo Bank NA; (14) Citibank NA; (15) Barclay's Bank PLC; (16) BOKF Petro Holdings LLC; (17) PNC Bank National Association; (18) The Derlam Company; and (19) ING Capital Markets LLC.

3. For substantially the same reasons as set out in the Court's Preliminary Approval Order, [Doc. 63], the Court finds that the above-defined Settlement Class should be and is hereby certified for the purposes of entering judgment pursuant to the Settlement Agreement. Specifically, the Court finds that all requirements of Rule 23(a) and Rule 23(b)(3) have been satisfied for settlement purposes. Because this case has been settled at this stage of the proceedings, the Court does not reach, and makes no ruling either way, as to the issue of whether the Settlement Class could have been certified in this case on a contested basis.

4. The Court finds that the persons and entities identified in the attached **Exhibit 1** have submitted timely and valid Requests for Exclusion and are hereby excluded from the foregoing Settlement Class, will not participate in or be bound by the Settlement, or any part thereof, as set forth in the Settlement Agreement, and will not be bound by or subject to the releases provided for in this Judgment and the Settlement Agreement.

5. At the Final Fairness Hearing on November 4, 2024, the Court fulfilled its duties to independently evaluate the fairness, reasonableness, and adequacy of, *inter*

alia, the Settlement and the Notice of Settlement provided to the Settlement Class, considering not only the pleadings and arguments of Class Representatives and Defendants and their respective Counsel, but also the concerns of any objectors and the interests of all absent Class Members. In so doing, the Court considered arguments that could reasonably be made against, *inter alia*, approving the Settlement and the Notice of Settlement, even if such argument was not actually presented to the Court by pleading or oral argument.

6. The Court further finds that due and proper notice, by means of the Notices, was given to the Settlement Class in conformity with the Settlement Agreement and Preliminary Approval Order. The form, content, and method of communicating the Notices disseminated to the Settlement Class and published pursuant to the Settlement Agreement and the Preliminary Approval Order: (a) constituted the best practicable notice under the circumstances; (b) constituted notice reasonably calculated, under the circumstances, to apprise Class Members of the pendency of the Litigation, the Settlement, their right to exclude themselves from the Settlement, their right to object to the Settlement or any part thereof, and their right to appear at the Final Fairness Hearing; (c) was reasonable and constituted due, adequate, and sufficient notice to all persons and entities entitled to such notice; and (d) met all applicable requirements of the Federal Rules of Civil Procedure, the Due Process Clause of the United States Constitution, the Due Process protections of the State of Oklahoma, and any other applicable law. Therefore, the Court approves the form, manner, and content of the Notices used by the Parties. The Court further finds that all

Class Members have been afforded a reasonable opportunity to request exclusion from the Settlement Class or object to the Settlement.

7. Pursuant to and in accordance with Federal Rule of Civil Procedure 23, the Settlement, including, without limitation, the consideration paid by Defendants, the covenants not to sue, the releases, and the dismissal with prejudice of the Released Claims against the Released Parties as set forth in the Settlement Agreement, is finally approved as fair, reasonable and adequate and in the best interests of the Settlement Class. The Settlement Agreement was entered into between the Parties at arm's-length and in good faith after substantial negotiations free of collusion. The Settlement fairly reflects the complexity of the Released Claims, the duration of the Litigation, the extent of discovery, and the balance between the benefits the Settlement provides to the Settlement Class and the risk, cost, and uncertainty associated with further litigation and trial. Serious questions of law and fact remain contested between the Parties and experienced counsel, and the Parties have prosecuted and defended their interests. The Settlement provides a means of gaining immediate valuable and reasonable compensation and forecloses the prospect of uncertain results after many more months or years of additional discovery and litigation. The considered judgment of the Parties, aided by experienced legal counsel, supports the Settlement.

8. By agreeing to settle the Litigation, Defendants do not admit, and instead specifically deny, that the Litigation could have otherwise been properly maintained as a contested class action, and specifically denies any and all wrongdoing and liability to the Settlement Class, Class Representative, and Class Counsel.

9. The Court finds that on July 8, 2024, Defendants caused notice of the Settlement to be served on the appropriate state official for each state in which a Class Member resides, and the appropriate federal official, as required by and in conformance with the form and content requirements of 28 U.S.C. § 1715. In connection therewith, the Court has determined that, under 28 U.S.C. § 1715, the appropriate state official for each state in which a Class Member resides was and is the State Attorney General for each such state, and the appropriate federal official was and is the Attorney General of the United States. Further, the Court finds it was not feasible for Defendants to include on each such notice the names of each of the Class Members who reside in each state and the estimated proportionate share of each such Class Members to the entire Settlement as provided in 28 U.S.C. § 1715(b)(7)(A); therefore, each notice included a reasonable estimate of the number of Class Members residing in each state and the value of the Gross Settlement Fund. No appropriate state or federal official has entered an appearance or filed an objection to the entry of final approval of the Settlement. Thus, the Court finds that all requirements of 28 U.S.C. § 1715 have been met and complied with and, as a consequence, no Class Member may refuse to comply with or choose not to be bound by the Settlement and this Court's Orders in furtherance thereof, including this Judgment, under the provisions of 28 U.S.C. § 1715.

10. The Litigation and Released Claims are dismissed with prejudice as to the Released Parties. The Court orders that, upon the Effective Date, the Settlement Agreement shall be the exclusive remedy for any and all Released Claims of Class Members who have not validly and timely submitted a Request for Exclusion to the

Settlement Administrator as directed in the Notice of Settlement and Preliminary Approval Order. The Court finds that Defendants have agreed not to file a claim against Plaintiffs or Plaintiffs' Counsel based upon an assertion that the Litigation was brought by Plaintiffs or Plaintiffs' Counsel in bad faith or without reasonable basis. Similarly, the Court finds that Plaintiffs have agreed not to file a claim against Defendants or Defendants' Counsel based upon an assertion that the Litigation was defended by Defendants or Defendants' Counsel in bad faith or without reasonable basis. The Releasing Parties are hereby deemed to have finally, fully, and forever conclusively released, relinquished, and discharged all of the Released Claims against the Released Parties to the fullest extent permitted by law. The Court thus permanently bars and enjoins the Releasing Parties, and each of them (regardless of whether or not any such person or party actually received a payment from the Net Settlement Fund, and without regard as to whether any payment was correctly determined), and all persons acting on their behalf, from directly or indirectly, or through others, suing, instigating, instituting, or asserting against the Released Parties any claims or actions on or concerning the Released Claims. Neither Party will bear the other Party's litigation costs, costs of court, or attorney's fees.

11. The Court also approves the efforts and activities of the Settlement Administrator and the Escrow Agent in assisting with certain aspects of the administration of the Settlement, and directs them to continue to assist Class Representatives in completing the administration and distribution of the Settlement in accordance with the Settlement Agreement, this Judgment, any Plan of Allocation

approved by the Court, and the Court's other orders.

12. Nothing in this Judgment shall bar any action or claim by Class Representatives or Defendants to enforce or effectuate the terms of the Settlement Agreement or this Judgment.

13. The Settlement Administrator is directed to refund to Defendants the portions of the Net Settlement Fund under the Initial Plan of Allocation attributable to Class Members who timely and properly submitted a Request for Exclusion or who were otherwise excluded from the Settlement Class by order of the Court in accordance with the terms and process of the Settlement Agreement.

14. This Judgment, the Settlement, and the Settlement Agreement (including any provisions contained in or exhibits attached to the Settlement Agreement), any negotiations, statements, or proceedings related thereto, and/or any action undertaken pursuant thereto, shall not be used for any purpose or admissible in any action or proceeding for any reason, other than an action to enforce the terms of the Judgment, the Settlement, or the Settlement Agreement (including, but not limited to, defending or bringing an action based on the Release provided for herein). Specifically, but without limitation, the Judgment, the Settlement, and the Settlement Agreement are not, and shall not be deemed, described, construed to be, or offered as, evidence of a presumption, concession, declaration, or admission by any of the Parties to the Settlement Agreement, or any person or entity, as to the truth of any allegation made in the Litigation; the validity or invalidity of any claim or defense that was, could have been, or might be asserted in the Litigation; the amount of damages, if any, that would

have been recoverable in the Litigation; any liability, negligence, fault, or wrongdoing of any person or entity in the Litigation; or whether any other lawsuit should be certified as a class action pursuant to Federal Rule of Civil Procedure 23 or any applicable state rule of procedure. Further, this Judgment shall not give rise to any collateral estoppel effect as to the certifiability of any class in any other proceeding.

15. As separately set forth in detail in the Court's Plan of Allocation Order(s), the Allocation Methodology, the Plan of Allocation, and distribution of the Net Settlement Fund among Class Members who were not excluded from the Settlement Class by timely submitting a valid Request for Exclusion or other order of the Court are approved as fair, reasonable and adequate, and Class Counsel and the Settlement Administrator are directed to administer the Settlement in accordance with the Plan of Allocation Order(s) entered by the Court.

16. The Court finds that Class Representatives, Defendants, and their Counsel have complied with the requirements of the Federal Rules of Civil Procedure as to all proceedings and filings in this Litigation. The Court further finds that Class Representatives and Class Counsel adequately represented the Settlement Class in entering into and implementing the Settlement.

17. Neither Defendants nor Defendants' Counsel shall have any liability or responsibility to Plaintiffs, Plaintiffs' Counsel, or the Settlement Class with respect to the Gross Settlement Fund or its administration, including but not limiting to any distributions made by the Escrow Agent or Settlement Administrator. Except as described in paragraph 6.19 of the Settlement Agreement, no Class Member shall have

any claim against Plaintiffs, Plaintiffs' Counsel, the Settlement Administrator, the Escrow Agent, or any of their respective designees or agents based on the distributions made substantially in accordance with the Settlement Agreement, the Court's Plan of Allocation Order(s), or other orders of the Court.

18. Any Class Member who receives a Distribution Check that he/she/it is not legally entitled to receive is hereby ordered to either (a) pay the appropriate portion(s) of the Distribution Check to the person(s) legally entitled to receive such portion(s) or (b) return the Distribution Check uncashed to the Settlement Administrator.

19. All matters regarding the administration of the Escrow Account and the taxation of funds in the Escrow Account or distributed from the Escrow Account shall be handled in accordance with the Settlement Agreement.

20. Any order approving or modifying any Plan of Allocation Order, the application by Class Counsel for an award of Plaintiffs' Attorneys' Fees or reimbursement of Litigation Expenses and Administration, Notice, and Distribution Costs, or the request of Class Representative for Case the Contribution Award shall be handled in accordance with the Settlement Agreement and the documents referenced therein (to the extent the Settlement Agreement and documents referenced therein address such an order).

21. A Party, including Plaintiffs, Plaintiffs' Counsel, the Settlement Class, Defendants, and Defendants' Counsel, shall not be liable for loss of any portion of the Escrow Account, except as described in paragraph 6.19 of the Settlement Agreement.

22. Without affecting the finality of this Judgment in any way, the Court (along with any appellate court with power to review the Court's orders and rulings in the Litigation) reserves exclusive and continuing jurisdiction to enter any orders as necessary to administer the Settlement Agreement, including jurisdiction to determine any issues relating to the payment and distribution of the Net Settlement Fund, and to enforce the Judgment.

23. In the event the Settlement is terminated as the result of a successful appeal of this Judgment, or the Judgment does not become Final and Non-Appealable in accordance with the terms of the Settlement Agreement for any reason whatsoever, then this Judgment and all orders previously entered in connection with the Settlement shall be rendered null and void and shall be vacated. The provisions of the Settlement Agreement relating to termination of the Settlement Agreement shall be complied with, including the refund of amounts in the Escrow Account to Defendants.

24. Without affecting the finality of this Judgment in any way, the Court (along with any appellate court with power to review the Court's orders and rulings in the Litigation) reserves exclusive and continuing jurisdiction to enter any orders as necessary to administer the Settlement Agreement, including jurisdiction to determine any issues relating to the payment and distribution of the Net Settlement Fund, to issue additional orders pertaining to, *inter alia*, Class Counsel's request for Plaintiffs' Attorneys' Fees and reimbursement of reasonable Litigation Expenses and Administration, Notice, and Distribution Costs, and Class Representative's request for the Case Contribution Award, and to enforce this Judgment. Notwithstanding the

Court's jurisdiction to issue additional orders in this Litigation, this Judgment fully disposes of all claims as to Defendants and is therefore a final appealable judgment. The Court further hereby expressly directs the Clerk of the Court to file this Judgment as a final order and final judgment in this Litigation.

25. [IF OBJECTION(S) ARE MADE – ADDITIONAL LANGUAGE TO BE DETERMINED BASED ON OBJECTION(S)]

IT IS SO ORDERED this _ day of _____, 2024.

Case No. CIV-23-0264-HE

Declaration of W. Patrick Martindale

I, W. Patrick Martindale, of lawful age, upon personal knowledge, and pursuant to 28 U.S.C. 1746, declare as follows:

1. I have 48 years of experience in the oil and gas industry, focused on accounting, auditing, training, and contract dispute issues. My experience includes activities as an internal auditor for Kerr-McGee Corporation and Internal Audit Manager for Texas International Petroleum. I established my own practice to provide audit, accounting, consulting, and litigation services to the industry in July 1982, founding Martindale Consultants, Inc. in January 1985 and have

continuously provided such services through the current date. In 2005, I developed training courses for accountants in the oil and gas industry, teaching in person classes for companies such as ExxonMobil, Apache Corporation, Encana, Pennsylvania and Alaska Departments of Revenue, and dozens of others. The revenue courses I developed included instruction for accounting for royalties and deductions and identification of the proper methodologies and basis for allocations used in the industry. The Council of Petroleum Accountants Societies (COPAS) purchased a one-half interest in the training division in September 2010 and was operated as a joint venture until 2015 when COPAS purchased the remaining half. By 2017, Martindale Consultants, Inc. had 46 full-time employees providing oil and gas audit, accounting, regulatory, and litigation services. I sold Martindale Consultants, Inc. to key employees in 2017 and after 2020 have provided litigation support and consulting services as an individual. I no longer have ownership in that firm or serve on its board of directors.

Past audit and/or litigation cases involve royalty owners, working interest owners, oil and gas operators, and government entities including the Alaska Department of Revenue, Michigan Department of Natural Resources, Attorney General's Office – Commonwealth of Pennsylvania, and Garfield and Weld Counties, Colorado. I have provided testimony in Oklahoma, Texas, Mississippi, Michigan, and Colorado state courts, and Federal Court in Oklahoma City and Denver. I am compensated for my work in this case at \$475.00 per hour.

2. Class Counsel asked me to assist in allocating the Net Settlement Fund to Class Members pursuant to the Stipulation and Agreement of Settlement dated June 4, 2024.

3. The Settlement Class is defined as follows:

All non-excluded persons or entities who: (1) received payments outside the time frame provided for in the PRSA from Defendants (or Defendants' designee) for oil, gas, and natural gas liquids proceeds from Oklahoma wells, or whose proceeds from Oklahoma wells were sent as unclaimed property to a government entity by Defendants; and (2) whose payments or whose unclaimed property payments did not include statutory interest pursuant to the PRSA.

Excluded from the Class are: (1) Defendants, their affiliates, predecessors, and employees, officers, and directors; and (2) agencies, departments, or instrumentalities of the United States of America or the State of Oklahoma; (3) any Indian Tribe as defined at 30 U.S.C. § 1702(4) or Indian allottee as defined at 30 U.S.C. § 1702(2); (4) persons or entities that Plaintiffs' counsel may be prohibited from representing under Rule 1.7 of the Oklahoma Rules of Professional Conduct; (5) publicly traded oil and gas companies and their affiliates; (6) Continental Exploration LLC; (7) Tiptop Oil & Gas LLC; (8) Gai-Jin Trading Company LLC; (9) Natixis New York Branch; (10) DFE Holdings LLC; (11) Toronto Dominion (Texas) LLC; (12) ING Capital LLC; (13) Wells Fargo Bank NA; (14) Citibank NA; (15) Barclay's Bank PLC; (16) BOKF Petro Holdings LLC; (17) PNC Bank National Association; (18) The Derlam Company; and (19) ING Capital Markets LLC.

4. The Claim period is defined as follows:

“Claim Period” means, subject to the terms of this Settlement Agreement regarding

Released Claims:

- For BCE-Mach LLC, checks or payments made or issued by or for BCE-Mach LLC dated between and including September 28, 2018, through February 29, 2024;
- For BCE-Mach III LLC, checks or payments made or issued by or for BCE-Mach III LLC, including those made by Martindale Consulting, Inc., dated between and including June 30, 2020, through February 29, 2024; and,
- For BCE-Mach II LLC, checks or payments made or issued by or for BCE-Mach II LLC dated between and including January 31, 2020, through February 29, 2024.

5. The Gross Settlement Fund is \$4,200,000.00.

6. The Net Settlement Fund is currently estimated as shown below:

Settlement Fund		\$4,200,000.00
Less Estimated Costs:		
Attorneys' Fees	\$1,680,000.00	
Litigation Expenses	\$76,939.13	
Administrative, Notice & Distribution Costs	\$250,000.00	
Case Contribution Award	\$84,000.00	
Reserve of Additional Litigation Expense	\$30,000.00	
Total Expenses		<u>2,120,939.13</u>
Estimated Settlement Distribution		<u>\$2,079,060.87</u>

7. I have estimated the future benefit of interest payments by the defendants as established in paragraph 2.5 of the Stipulation and Agreement of Settlement - 06-27-2024 (Agreement) to be \$7,285,000. My estimate is based on current law and the Defendant's continuance of the late payments to Class Members as was identified during the Claim Period. I used the late payment interest calculated on the pay detail for the Claim Period identified in paragraph 1.4 of the Agreement, assumed continuance of late payment for six years, and determined the present value of those payments using an eight percent (current prime rate) discount rate. The total value of the settlement is \$11,485,000, consisting of the net present value of the future benefit of \$7,285,000 and the settlement of \$4,200,000.
8. The distribution of the Estimated Settlement Amount is attached as Martindale Exhibit 1 and lists the estimated amounts for each member of the Settlement Class, based on currently available information and with consideration of the de minimis threshold established at \$5.00. The basis for the allocation is my calculation of the amount of statutory interest owed each member on the original underlying payment that allegedly occurred outside the time periods required by the PRSA, with regard for the production date, the date the underlying payment was made, the amount of the underlying payment,

the time periods set forth in the PRSA. I applied statutory twelve percent (12%) interest compounded annually, for each original late payment until paid and 12% on the balance of interest owed from date of payment through April 2024. The appropriate allocation of the Estimated Settlement Amount to the class members is to:

- a. determine the percentage of each member's total interest owed thus calculated to the sum of the interest owed to all non-excluded class members.
- b. multiply the individual's percentage share times the Estimated Settlement Distribution.

This methodology is logical, compliant with industry standards, and thus, fair to the class. It will be reasonably straightforward to re-run the allocations once the final fees and expenses have been determined, all excluded parties and opt-outs are known, and final interest can be determined.

"I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge and experience.

(Consolidated Case)

Case No. CIV-23-0264-HE

**DECLARATION OF CLASS REPRESENTATIVE IN SUPPORT OF
FINAL APPROVAL MOTIONS**

I, Coy Reed, representative of Wake Energy, LLC (“Wake”), of lawful age, upon personal knowledge, and pursuant to 28 U.S.C. § 1746, declare as follows:

1. Wake has personal knowledge of the facts set out in this declaration based upon their involvement in the Litigation and on information provided to me by Class Counsel.¹

¹ Capitalized terms not otherwise defined shall have the meaning ascribed to them in the Settlement Agreement.

2. Wake respectfully submits this declaration in support of the forthcoming motions for Final Approval of Class Action Settlement and for Plaintiff's Attorneys' Fees, Reimbursement of Litigation Expenses and Administration, Notice, and Distribution Costs, and Case Contribution Award.

3. By submitting this declaration, Wake does not intend to, nor does Wake, waive any protections available to them, including, the attorney-client privilege, work product privilege, or any other privileges which may apply.

4. Wake Energy, LLC owns interests in BCE-Mach, LLC, BCE-Mach II, LLC and BCE-Mach III, LLC ("Mach") operated oil-and-gas wells and was paid oil-and-gas proceeds by Mach. Mach paid Wake outside the timelines required by Oklahoma law without paying statutory interest to Wake on these late payments.

5. Wake sought legal advice from counsel experienced in investigating oil-and-gas payment practices in Oklahoma concerning Mach's payments to Wake. After discussions with Class Counsel, Wake decided to retain them to initiate and prosecute this Litigation. As part of that decision, Class Counsel and Wake discussed their responsibilities as a plaintiff and proposed class representative.

6. Wake retained Class Counsel because Wake believes they possess the requisite expertise in complex litigation and have sufficient legal and financial resources to vigorously prosecute this Litigation on Wake's behalf and on behalf of all Class Members against Mach.

7. With what Wake learned in conversations with Class Counsel, including the risks and uncertainty associated with the Litigation, the potentially significant expenses Class Counsel might incur, and the high level of representation to be provided by Class Counsel, Wake agreed that Class Counsel would represent Wake on a contingency fee basis of 40% of any recovery obtained. At the time we reached this agreement, Wake understood a 40% contingency fee was at the market rate for similar actions. Wake and Class Counsel executed a written agreement that Class Counsel could seek a fee of 40% of any gross recovery, subject to approval by this Court. Wake understood that Class Counsel would

work on a fully contingent basis and that Wake would not pay hourly rates. It was not economically feasible for Wake to pay the fees and expenses necessary to litigate this matter to completion on a pay-as-you-go or non-contingent fee structure.

8. Wake has been involved in this Litigation since before filing the Complaint. By participating in this Litigation, Wake hoped to obtain a monetary recovery for itself and other Class Members who were paid late by Mach without statutory interest.

9. Wake has been active and engaged in this Litigation throughout its course and has regularly communicated with Class Counsel and reviewed documents and provided input where helpful.

10. Wake sought to understand Class Counsel's work in this case and participated in the decisions to mediate this case and to ultimately enter into the Settlement. Wake also attended the mediation session to resolve the Litigation.

11. This action has been litigated since the Fall of 2022, which included document productions, reviewing documents and data, consulting with experts, reviewing and analyzing complex and substantial accounting information, creating damages modeling, negotiating a settlement, reviewing settlement documents, and seeking the Court's approval of the Settlement.

12. Throughout the negotiation process, Class Counsel informed Wake of material developments that occurred and sought and obtained approval to negotiate on behalf of itself and the Settlement Class. Class Counsel acted with Wake's approval in all respects.

13. Wake believes the negotiation process resulted in an excellent settlement and a significant benefit to the Settlement Class, which provides a Gross Settlement Fund of \$4,200,000.00, as well as changes to Mach's practices concerning interest owed on late payments of oil-and-gas proceeds. The cash amount, after reduction for court approved Plaintiff's Attorneys' Fees, reimbursement of Litigation Expenses, payment of Administration Expenses, Notice and Distribution Costs, and Case Contribution Awards, if any, to Wake, will be distributed to Class Members if and when the Settlement becomes

Final and Non-Appealable. Wake believes this is a substantial recovery for the Settlement Class.

14. Wake attended and assisted in negotiation of the Settlement at the mediation session, all of which took substantial hours of preparation and work.

15. Through their involvement in this Litigation, as well as discussions with Class Counsel, Wake understood the strengths and weaknesses of the Settlement Class's claims against Mach.

16. Wake is aware of the hurdles the Settlement Class would be required to overcome to prove liability and damages if the Litigation was to be tried rather than settled.

17. Wake's understanding of the facts as they pertain to this Litigation, as well as their interactions with Class Counsel, enables Wake to recommend approval of the Settlement. The Settlement is a substantial recovery for the Settlement Class under circumstances where it was possible that no recovery at all would be obtained. Wake fully supports this Settlement as fair, reasonable, and adequate for the Settlement Class.

18. Wake is exceptionally pleased with the efforts of Class Counsel who always conducted themselves with professionalism and diligence while effectively representing the interests of Wake and the Settlement Class.

19. Class Counsel is collectively applying for an award of Plaintiff's Attorneys' Fees out of the Gross Settlement Fund, as well as reimbursement of Litigation Expenses reasonably and necessarily incurred in successfully prosecuting the claims in this Litigation. Because of Class Counsel's extensive, efficient, and excellent work, Wake approves of Class Counsel's application for a fee award equal to 40% of the Gross Settlement Fund, subject to the terms of the Settlement Agreement and this Court's orders.

20. Wake is very pleased with how Class Counsel conducted the Litigation and with the results achieved. Further, Wake supports Class Counsel's request for reimbursement of Litigation Expenses because Wake believes Class Counsel has prosecuted this Litigation in an efficient manner given its complexities and has incurred significant, yet reasonable and necessary, expenses.

21. Wake understands that if the award is granted, reimbursed Litigation Expenses will be paid to Class Counsel out of the Gross Settlement Fund.

22. While Wake will only recover its pro rata share of the Net Settlement Fund, Wake, along with Scott, intends to seek a Case Contribution Award for its representation of the Settlement Class. The court approved Class Notices states that Wake, along with Scott, will seek a Case Contribution Award of \$84,000.00 to compensate them for their investment of time and resources.

23. Wake requests that the Court award them a Case Contribution Award of \$84,000.00 for the time that they have dedicated to the Litigation, as well as the expense, risk, and burden of serving as the class representatives in the Litigation, and a reasonable estimate of the time to be dedicated to the Litigation through the final distribution of the Net Settlement Fund. Wake believes that such an award is justified in this case, as they dedicated significant hours to assisting Class Counsel to secure the recovery obtained by the Settlement and Wake expects to dedicate several additional hours of time before this matter is fully concluded.

24. Wake is not aware of any conflicts of interest with members of the Settlement Class. Wake was not promised any recovery or made any guarantees prior to filing this Litigation, nor at any time during the Litigation.

25. Based on these efforts and the benefits obtained for the Settlement Class, Wake submits that the requested Case Contribution Award is fair and reasonable as compensation for the time and expense incurred to obtain the Settlement on behalf of the Settlement Class.

The undersigned Class Counsel jointly submit this declaration under penalty of perjury in support of Class Representative Wake Energy, LLC and Frederick M. Scott, III, Trustee of the Scott Family Trust's ("Class Representative") Motion for Final Approval of the Class Settlement and Class Representative's Motion for Approval of Attorneys' Fees, Litigation Expenses, and Case Contribution Award, which are filed contemporaneously

BACKGROUND

Attorney Information

1. Randy C. Smith, of Randy C. Smith and Associates, PLLC, in Oklahoma City, Oklahoma, primarily litigates complex oil-and-gas matters. Mr. Smith is actively litigating other putative class action matters involving allegations of late payments of oil-and-gas proceeds under the Oklahoma Production Revenue Standards Act. *See Suzanne Broadbent, on behalf of herself and all others similarly situated, Plaintiff, v. Presidio Petroleum LLC, Defendant*, Case No. CV-22-15, Roger Mills County, Oklahoma, *OGP, LLC, on behalf of itself and all others similarly situated, Plaintiff, v. Contango Resources, LLC, Defendant*, Case No. 22-CV-382-JFH-JFJ (N.D. Okla. 2022) and *GOP, LLC, on behalf of itself and all others similarly situated, Plaintiff, v. Merit Energy Company, LLC, Defendant*, Case No. CIV-22-278-JDR-JAR (E.D. Okla. 2022).

2. Brady L. Smith and Harry “Skeeter” Jordan, of Brady Smith Law, PLLC, in Oklahoma City, Oklahoma, which focuses primarily on complex oil-and-gas matters. Mr. Smith and/or Mr. Jordan have successfully achieved recoveries for numerous classes on claims like those at issue in this case. *See e.g. Mitchell v. Red Bluff Res. Operating, LLC*, No. CJ-21-323 (D.C. Canadian County); *El Dorado v. Coffeyville Res. Refining &*

¹ Capitalized terms not otherwise defined shall have the meaning ascribed to them in the Settlement Agreement.

Inc.*, No. 20-CV-183-ABJ (D. Wyo. 2020);. In addition, they are actively litigating several other putative class action matters involving allegations of late payments of oil-and-gas proceeds under the Oklahoma Production Revenue Standards Act, as well as other cases involving payment timing in other states. The Court has appointed Randy C. Smith and Brady L. Smith as Co-Lead Class Counsel and Harry “Skeeter” Jordan as Additional Class Counsel. Doc 63 at 4.

3. As Class Counsel, the foregoing have achieved an exceptional result, obtaining a settlement with an upfront cash payment of \$4,200,000.00. In addition to that cash payment, the settlement will result in future benefits of up to \$7,285,000.00 to the Class over the next eight (8) years. *See* Doc. 64-2 Martindale Decl. ¶7. All told, the Gross Settlement Value of the Settlement is \$11,485,000.00. *Id.*

Work Completed Before Filing Suit

4. Prior to the filing of the Litigation, Class Counsel investigated the payment practices of BCE-Mach, LLC, BCE-Mach II, LLC and BCE-Mach III, LLC (“Defendants”), met with the Class Representatives, reviewed the Class Representatives’ oil and gas

lease, payment history, relevant title and well history, as well as publicly available information about the Defendants.

5. We also reviewed prior and pending cases related to the claims at issue in this case, and we relied upon our experience in cases of this kind.

6. Based on our review and analysis, and after discussing the same with Wake, we filed the initial Class Action Complaint in case 22-cv-794-JD on September 8, 2022.

7. Based on our review and analysis, and after discussing the same with Scott and Wake, we filed the initial Class Action Petition in case CV-2023-1 in Roger Mills County, Oklahoma on January 31, 2023. The case was then moved to the Western District of Oklahoma by Defendant on March 24, 2023 (Case No. CIV-23-264-R).

Work Completed After Filing Suit

8. BCE-Mach, LLC and BCE-Mach III, LLC answered the claims on October 18, 2022. The parties conferred and filed a joint status report on November 21, 2022. In anticipation of discovery, the parties filed a joint motion for protective order, which was entered on November 28, 2022.

9. On November 29, 2022, Class Counsel issued discovery requests to BCE-Mach, LLC and BCE-Mach III, LLC aimed at key documents and information in this case. On or about January 16, 2023, Defendants provided Class Counsel with its objections and responses to Plaintiff's First Set of Written Discovery Requests and provided voluminous amounts of data beginning October 11, 2023.

10. BCE-Mach II, LLC answered the claims on March 31, 2023. The parties conferred and filed a joint status report on April 25, 2023. In anticipation of discovery, the parties filed a joint motion for protective order, which was entered on August 16, 2023.

11. On June 12, 2023, Class Counsel issued discovery requests to BCE-Mach II, LLC aimed at key documents and information in this case. On or about July 24, 2023, Defendant provided Class Counsel with its objections and responses to Plaintiff's First Set of Written Discovery Requests and provided voluminous amounts of data beginning August 22, 2023.

12. On August 24, 2023, the Parties jointly moved this Court to extend the Scheduling Order due to the substantial amount of data to be analyzed by expert witnesses. The Court entered an Amended Scheduling Order on August 24, 2023.

13. During this period, the parties began discussing the process and information required to explore early resolution of this matter. Based on those discussions, the parties primarily focused their discovery efforts on accounting data necessary to arrive at a preliminary damages model for settlement discussions. During this time, Class Counsel reviewed the information provided by Defendants and engaged in considerable negotiations and communications with Defendants' counsel in order to gather the pertinent information.

14. Class Counsel then worked with their consulting expert, W. Patrick Martindale, to verify the information provided by Defendants and to prepare a damage model.

15. After exchanging additional data and analysis, Class Counsel prepared a mediation statement for Brad Gungoll and engaged in pre-mediation discussions with the mediator and opposing counsel to advance the prospect of class-wide settlement. This effort

included coming to an agreement on key terms of a tentative settlement before attending the mediation.

16. Class Counsel and Wake's Class Representative attended the mediation at Mr. Gungoll's office on April 4, 2024, in Oklahoma City, Oklahoma, resulting in parties agreeing on the essential terms to a settlement.

17. The Parties spend over two months drafting and negotiating the Settlement Agreement, including the associated proposed orders, exhibits, and other documents, and the exchange of redlines of each of these documents. When all material terms had been documented, the Parties executed the Settlement Agreement effective on June 4, 2024.

18. As a result of mediation and negotiations of the Settlement Agreement, Parties agreed it would be in the best interest to consolidate the two cases. A Joint Motion to Consolidate was filed on June 19, 2024, requesting the court consolidate both cases into one, with Case No. CIV-22-794-HE being the lead case.

19. An Order Granting the Motion to Consolidate was entered on June 24, 2024 advising Case No. CIV-22-794-HE would be the lead case moving forward.

20. Class Counsel spent a significant amount of time drafting the Motion for Preliminary Approval, which was filed on June 27, 2024. (Doc. 60). The Court entered the Preliminary Approval Order on July 23, 2024, (Doc. 63) kicking off implementation of the notice campaign and other settlement approval efforts.

21. Class Counsel then worked with the Settlement Administrator to carry out the Notice campaign, which is detailed in the Settlement Administrator's Declaration. These efforts took continuous communication and effort to effectuate the Notice campaign

in accordance with the Court's Preliminary Approval Order and the terms of the Settlement Agreement. We have also received direct communications from Class Members, which we promptly answered to advise as to any questions posed by those Class Members. Based on our prior experience, we anticipate fielding additional inquiries from Class Members prior to, and perhaps even subsequent to, the Final Fairness Hearing.

22. Since the Notice campaign was effectuated, and at the time this declaration was executed, purported request for exclusion associated with 1 owner number has been received. *See* Doc. 64-6, Keough Decl. No objections have been received. *See* Doc. 64-6, Keough Decl. Because this declaration is required to be filed before the deadline for filing objections or requesting exclusion, Class Counsel will update the Court regarding any requests for exclusion or objections submitted or filed after the Court imposed deadline.

23. The vast majority of Class Members have indicated approval to the terms of the Settlement Agreement by choosing to participate in the Settlement.

24. In Class Counsel's, the Settlement Agreement is fair, reasonable and adequate, as indicated by the overwhelming support of Class Members.

25. In addition, the Settlement Agreement was the result of arm's length, heavily negotiated process, carried out by experienced counsel. This further supports the fairness and reasonableness of the Settlement.

Attorney's Fees

26. Class Counsel is seeking a 40% contingency fee from the up-front cash value of \$4,200,000.00, as is the customary fee in these cases. In the context of the Gross Settlement Value of \$11,485,000.00, Class Counsel's fee request equates to 14.628%.

27. Class Representatives negotiated a contract to prosecute this case on a fully contingent basis, with a fee arrangement of 40% of any recovery obtained for the putative class after the filing of the Litigation. Class Counsel also agreed to advance all necessary expenses to pursue the Litigation.

28. Numerous state and federal courts in Oklahoma, including this Court, have recognized that a 40% contingent fee is standard in Oklahoma oil-and-gas class action litigation. *See, e.g., Chieftain Royalty Co. v. SM Energy Co.*, No. CIV-18-1225-J (W.D. Okla. April 27, 2021), Doc. 115 at 15 (“the Court finds a 40% fee is consistent with the market rate for high quality legal services in royalty class actions like this”); *Chieftain Royalty Co. v. Laredo Petro., Inc.*, No. CIV-12-1319-D (W.D. Okla. May 13, 2015), Doc. 52 At 7 (“An award of forty percent (40%) of the settlement value is well within the range of acceptable fee awards in common funds cases.”)(collecting cases supporting same); *Chieftain Royalty Co. v. QEP Energy Co.*, No. CIV-11-212-R (W.D. Okla. May 31, 2013), Doc. 182 at 7 (awarding 39% of the cash portion of settlement); *Chieftain Royalty Co. v. Newfield Exploration Mid-Continent Inc.*, No. 17-CV-336-KEW (E.D. Okla. Mar. 3, 2020), Doc. 71 at 14 (“I find this fee [40%] is consistent with the market rate and is in the range of the ‘customary fee’ in oil and gas class actions in Oklahoma state courts over the past fifteen (15) years.”); *see also Hay Creek Royalties, LLC v. Roan Res. LLC*, No. 19-CV-177-CVE-JFJ, Doc. 64-7 at 24–25 (N.D. Okla. Apr. 7, 2021) (Professor Steven S. Gensler: “In fact, the typical fee agreement in similar royalty class actions in Oklahoma is a contingency fee of 40% . . . The 40% fee request in this case is consistent with what many federal and state

courts in Oklahoma have awarded in other oil-and-gas royalty class actions.”)(collecting cases).

29. Based upon our experience, knowledge, education, study, and professional qualifications, we believe that a 40% contingent fee agreed to with the Class Representatives is the market rate for this case and is fair and reasonable.

30. Because a contingent fee is set in the marketplace and is definitive evidence of the reasonable and fair percentage fee at the time the risk is undertaken and largely unknown, courts often focus on the contingent fee class action agreement to set the fee for the entire class.

31. Courts consider the *Johnson* factors to determine whether the requested fee is reasonable. *See Johnson v. Georgia Highway Express, Inc.*, 488 F.2d 714 (5th Cir. 1974).

Factors enumerated in 12 O.S. §2023(G)

32. **The time and labor required.** “[I]n the Tenth Circuit, in a percentage of the fund recovery case such as this, where federal common law is used to determine the reasonableness of the attorneys’ fee under Rule 23(h), neither a lodestar nor a lode- star cross check is required.” *Chieftain*, No. 17-CV-336-KEW (E.D. Okla. Mar. 3, 2020), Doc. 71 at 5. Nevertheless, Class Counsel’s efforts and time invested was extensive and is discussed at length *supra*. This factor supports the fee request.

33. **The novelty and difficulty of the questions presented by the litigation.** While oil-and-gas class actions are not necessarily novel in Oklahoma, they are incredibly difficult and complex, which is proven by the sheer fact that very few law firms undertake

them. *Id.* at 10 (“Class actions are known to be complex and vigorously contested . . . The legal and factual issues litigated in this case involved complex and highly technical issues.”); *see also Chieftain Royalty Co. v. SM Energy Co.*, No. CIV-18-1225-J (W.D. Okla. April 27, 2021), Doc. 115 at 10 (“The claims involved difficult and highly contested issues of Oklahoma oil and gas law that are currently being litigated in multiple forums.”). The continued difficulty of this area of the law, both in an oil-and-gas context and in a class action context, is also evident from the various positions taken by various judges, some denying class certification altogether. This factor supports the fee request.

34. **The skill required to perform the legal services properly.** Class actions are inherently difficult and generally hard fought. Oil-and-gas litigation is as well. Combined, the two areas of law require substantial skill and diligence. Very few firms even undertake such litigation. *Chieftain*, No. 17-CV-336-KEW (E.D. Okla. Mar. 3, 2020), Doc. 71 at 11 (“I find the Declarations and other undisputed evidence submitted prove that this Litigation called for Class Counsel’s considerable skill and experience in oil and gas and complex class action litigation to bring it to such a successful conclusion, requiring investigation and mastery of complex facts, the ability to develop creative legal theories, and the skill to respond to a host of legal defenses.”).

35. **The preclusion of other employment by the attorney due to the acceptance of the case.** While not a critical factor, it is common knowledge that the longer a case goes on the more other legal business it precludes since a lawyer and a law firm only have a finite amount of time to offer. Additionally, the positions taken by Class Counsel regarding interpretation of Oklahoma law on various points preclude them from

representing many oil companies who wish to take opposite or opposing positions on these issues. Such representation is normally on an hourly basis with fees guaranteed regardless of the outcome. This factor supports the fee request.

36. **The customary fee.** As shown above, the customary fee is 40%. *See supra* ¶¶ 29–30. Sometimes more is awarded if counsel must go through trial or handle the case on appeal. Sometimes less is awarded if the case is a mega fund case. This Litigation is neither. This factor supports the fee request.

37. **Whether the fee is fixed or contingent.** This factor is the only one in the disjunctive—fixed “or” contingent. It is important to preserve the parties’ expectations in their representation agreement. In a contingent fee context, a poor result means a poor fee (regardless of how long or hard the attorney worked, or how much skill displayed). A loss means no fee and usually the attorney “eats” the out-of-pocket expenses too. *See Chieftain*, No. 17-CV-336-KEW (E.D. Okla. Mar. 3, 2020), Doc. 71 at 17 (“If Class Counsel had not been successful, they would have received zero compensation (not to mention reimbursement for expenses).”). When successful, a contingent fee must significantly exceed an hourly fee to recognize the risk of a substantial financial loss if the plaintiff is unsuccessful. Both types of fee structures are used in different settings, and both are ethical, legal, and reasonable. The fee in this case was a contingent fee. This factor supports the fee request.

38. **Time limitations imposed by the client or the circumstances.** This was not a factor in this case and should not influence the Court one way or the other.

39. **The amount in controversy and the results obtained.** The Parties had varying damage models, as is customary. And the \$4,200,000.00 in up-front cash represents a

significant amount of the damages calculated by Plaintiffs' expert. In addition to that up-front cash payment, the settlement will result in Future Benefits of up to \$7,285,000.00 to the Settlement Classes over the next eight years. *See* Doc. 64-2, Martindale Decl. at 4, ¶ 7. All told, the Gross Settlement Value of the Settlement is \$11,485,000.00. *Id.* The result obtained in a contingent fee case is by far the most important factor in determining the fee to award. *See Hensley v. Eckerhart*, 461 U.S. 424, 436 (1983) (the "critical factor is the degree of success obtained"). Many class actions have settled near or for a lower proportionate recovery of actual damages recovered here, and in Oklahoma, some class actions have failed altogether. This factor supports the fee request.

40. **The experience, reputation, and ability of the attorney.** As discussed *supra*, Class Counsel has prior experience in class action cases asserting claims under the Production Revenue Standards Act. *See supra* ¶¶ 2-3. Our experience and skill have served the Class Members well, meriting an award of fees as requested. Moreover, in this case, we faced opposition from experienced counsel from one of the largest law firms in the state of Oklahoma which is regularly hired by large, sophisticated corporate defendants. This factor supports the fee request.

1. **Whether or not the case is an undesirable case.** Very few attorneys have the desire to take the risk involved in class actions. That is even more so in oil-and-gas class actions, where a litigation battle is waged against a sophisticated oil-and-gas company. *See, e.g., See Chieftain*, No. 17-CV-336-KEW (E.D. Okla. Mar. 3, 2020), Doc. 71 at 18 ("Compared to most civil litigation, this Litigation clearly fits the "undesirable" test and no other firms or plaintiffs have asserted these claims against Newfield

... Few law firms would be willing to risk investing the time, trouble and expenses necessary to prosecute this Litigation[.]”). This factor supports the fee request.

41. **The nature and length of the professional relationship with the client.** This factor has little if any relevance here, but still supports the requested award. We have had a regular working relationship with Wake for the previous 5 years and have done work for Scott at various times for almost 10 years. We met and worked with Class Representatives throughout this Litigation to prosecute these claims and Class Representatives zealously represented the Class. This factor supports the fee request.

42. **Awards in similar cases.** As discussed in the Motion filed with this Declaration, we believe that the usual fee in the context of oil-and-gas class action litigation like this is 40%. *See supra* ¶¶ 29–30. This factor supports the fee request.

43. **The risk of recovery in the litigation.** The risk of no recovery was substantial. Many oil-and-gas class actions have met with no class certification and, as a result, no recovery. And, of course, trial and the inevitable appeal is always risky. This factor supports the fee request.

44. Overall, the factors, and certainly the most important factors, support a 40% fee.

Litigation Expenses

45. The books and records of Randy C. Smith and Associates and Brady Smith Law reflect the expenses incurred for this case. Based on our oversight of the work in connection with the Litigation and our review of these records, we, Randy Smith, Brady Smith, and Harry Jordan, believe them to constitute an accurate record of the expenses

actually incurred by our firm in connection with the Litigation, and that all of the expenses were necessary to the successful conclusion of this case. The total expenses paid by Randy C. Smith and Associates and Brady Smith Law, PLLC to date are \$76,939.13.

46. The expenses will increase as we prepare for the Final Fairness Hearing, including preparation of a preliminary allocation under the Initial Plan of Allocation and a Final Plan of Allocation and Distribution Order. Also, expenses will increase to the extent that bills for expenses have not yet arrived and been catalogued into the presently available number. At this time, we anticipate that we will incur an additional \$30,000 in Litigation Expenses through the conclusion of this Litigation.

Administration, Notice, and Distribution Costs

47. Per the Settlement Agreement, up to \$250,000.00 of the Gross Settlement Fund may be used for Administration, Notice, and Distribution Costs by the court-appointed Settlement Administrator, JND Legal Administration (“JND”). *See* Doc. 60-1 at 30, ¶ 6.7. Under the Settlement Agreement, these Administration, Notice, and Distribution Costs are to be paid from the Settlement Proceeds.

Case Contribution Award

48. The Class Representatives in this Litigation was indispensable. Class Representatives engaged experience counsel, significantly assisted with the Litigation, including in discovery efforts, participated in mediation and negotiation of the settlement, and the process for completing and seeking approval of the Settlement. Class Representatives have earned a Case Contribution Award, and around 2% is common in oil-and-gas class actions in Oklahoma. *See, e.g., Harris v. Chevron U.S.A., Inc., et al.*, No. 19-CV-355-SPS (E.D.

Okla. Feb. 27, 2020), Doc. 40 at 17 (The class representative’s “request for an award of two percent is consistent with awards entered by Oklahoma state and federal courts, as well as federal courts across the country.”).

49. Here, as set forth in the Notice, Class Representative requests a \$84,000.00 Case Contribution Award, which is 2.0% of the \$4,200,000.00 cash payment and only 0.731% of the cash recovery and Future Benefits combined (\$11,485,000.00). Having worked with Class Representative throughout the pendency of the Litigation, we fully support this request and believe the time and effort expended by Class Representative merits a Case Contribution Award of this value.

provided to me by experienced JND employees. If called upon to do so, I could and would testify competently thereto.

2. JND is a legal administration services provider with its headquarters located in Seattle, Washington. JND has extensive experience in all aspects of legal administration and has administered settlements in hundreds of cases. As CEO of JND, I am involved in all facets of our Company's operation. Among my responsibilities is to monitor the implementation of our notice and claim administration programs. I have more than 20 years of legal experience designing and supervising such programs.

3. JND is serving as the Settlement Administrator in the above-captioned litigation (the "Action") pursuant to the Court's Preliminary Approval Order dated July 23, 2024.

CLASS MEMBER DATA

4. On July 25, 2024, JND received two spreadsheets containing the names, mailing addresses, and other identifying owner information for a total of 43,743 owners. JND reviewed the owner records provided and identified 3,435 records as duplicative. JND promptly loaded information for the 40,308 unique potential Class Members into a database established for this administration.

5. Prior to effecting notice, JND certified the mailing data via the Coding Accuracy Support System ("CASS") in order to ensure the consistency of the contact information in the database and then verified the mailing addresses through the National

Change of Address (“NCOA”) database², identifying updated addresses for 2,039 records. Of the 40,308 potential Class Member records, a mailing address could not be located for 11 records, leaving a total of 40,297 unique potential Class Members with a mailing address (“Initial Class Mailing List”).

NOTICE MAILING

6. On August 22, 2024, JND caused the mailed Notice of Settlement to be mailed via USPS first-class mail to the 40,297 potential Class Members in the Initial Class Mailing List. A representative sample of the mailed Notice of Settlement is attached hereto as **Exhibit A**.

7. In the event any potential Class Member’s notice is returned as undeliverable, JND uses all reasonable secondary efforts to deliver the notice to the Class Member. This includes re-mailing any notices returned as undeliverable with a forwarding address and conducting an advanced address search using TransUnion’s TLO search, where such a search had not already been conducted, for any notices returned undeliverable without a forwarding address in an attempt to locate an updated address. JND will re-mail the notice to anyone for whom JND is able to obtain an updated address.

8. As of the date of this Declaration, JND has tracked 1,644 notices that have been returned to JND as undeliverable at the address provided. JND re-mailed 331 notices to a forwarding address provided by USPS. For the remaining undeliverable notices, JND

conducted advanced address research through TransUnion's TLO service, which located updated addresses for 411 Class Members. JND duly re-mailed the Notice of Settlement to those potential Class members for whom a new address was obtained.

9. On September 4, 2024, JND received a spreadsheet containing updated addresses for 12 potential Class Members from Defendants. On September 5, 2024, JND caused the mailed Notice of Settlement to be mailed via USPS first-class mail to those potential Class members for whom an updated address was provided.

SUMMARY NOTICE

10. JND caused the summary Notice of Settlement to be published on August 29, 2024, in The Oklahoman, and Tulsa World. Digital copies of the Notice of Settlement as seen in these publications are attached hereto as **Exhibit B**.

SETTLEMENT WEBSITE

11. On August 22, 2024, JND established a dedicated website (www.wakevmachbce.com), which hosts copies of important case documents, including Class Action Complaint, the Settlement Agreement, the Preliminary Approval Order, and the Notice of Settlement, and provides answers to frequently asked questions, as well as contact information for the Settlement Administrator. A copy of the Long Form Notice available on the website is attached hereto as **Exhibit C**.

12. As of the date of this Declaration, the website has tracked 88 unique users with 1,309 pageviews. JND will continue to update and maintain the website throughout the administration process and final approval process.

TOLL-FREE INFORMATION LINE

13. On August 22, 2024, JND established a case-specific toll-free telephone number (1-855-680-6684) with an interactive voice recording (IVR) that Class Members can use to obtain more information about the Settlement.

14. As of the date of this Declaration, the toll-free number has received 164 calls.

REQUESTS FOR EXCLUSION

15. The Notice of Settlement directs that Class Members who wish to opt out of the Settlement Class could do so by mailing a valid Request for Exclusion to the Settlement Administrator, Co-Lead Class Counsel, and Defendants' Counsel, so that it is received on or before October 14, 2024.

Legislature

Continued from Page 1A

now reverberating throughout the House of Representatives. Wallace's race, which could add up to the most expensive state legislative race in the history of Oklahoma, saw more than \$1 million spent between both candidates.

Unlike McCortney who had Gov. Kevin Stitt as an opponent, Wallace was supported by the Republican governor, who even came to Wallace's district and knocked doors.

This summer, Wallace and other lawmakers have been pushed to address the state's controversial school Superintendent Ryan Walters. And though it's unclear whether or not Walters is popular in Wallace's district, Wallace's loss now clouds the issue of an investigation into the agency led by Walters, the Oklahoma State Department of Education, by the Legislative Office of Fiscal Transparency.

So why are powerful Republicans like Wallace and McCortney getting the ax?

No easy answer to losses

The answer isn't easy.

Understanding the defeat of Wallace and McCortney involves a lesson in dark money groups, political spin, outrage from the governor, the personalities of both lawmakers, their relationship to their legislative districts, tax cuts, past legislative votes, public fear, redistricting, and the types of hyper-local issues that can swing elections.

"This may be the only time in the political history of this state, that the pro tempore, speaker, the floor leaders in both the House and the Senate, the appropriations chairman in both the House and the Senate all are departing the same year, some against their will and some because they are term limited," said Cal Hobson, a former Senate pro tempore.

The current political climate in Oklahoma, Hobson said, "is quite a story."

While Hobson said Wallace's defeat surprised him, he said the loss can't be pinned on a single issue but to several. "There are a bunch of local issues," Hobson said. "Including the spreading of human fertilizer."

That fertilizer, known as biosolids, was a hotly contested issue in the district. In a story published by Investigate

Midwest, Wallace acknowledged he had used biosolids on his farm. According to the online news outlet, Wallace was confronted during a candidate forum in June by some constituents who asked why he wouldn't come out against the fertilizer, which they called "humanure."

"The biosolids sludge is regulated by the Department of Environmental Quality, I have used it twice ... it has been legal to use in this state for eight years now," Wallace said at the forum. Wallace acknowledged he had received complaints from his neighbors, but "property rights is what I'm for ... (and) I'm not breaking the law," he told the audience.

Wallace could not be reached for comment on this story.

District issues played a role in Wallace, McCortney's losses

The poop problem, plus questions about Wallace's relationship with his district quickly became issues in the campaign. Other issues came into play, too.

One of those issues, Iowa Tribe Chairman Jacob Keyes said, was wind turbines.

"Honestly, part of that loss - in Lincoln County - was the battle over the turbine farms trying to come in," he said. "I think people in the county didn't view him (Wallace) as being strong enough against the wind turbines. Most of the negativity about him I saw was on that topic."

Wallace also faced criticism from his opponents about what they viewed as a lack of pushback against Chinese ownership of land in Oklahoma.

Outgoing House Majority Leader Jon Echols said the race highlighted the differences in what government officials and elected leaders believe voters are interested in and what the voters, themselves, say they are interested in.

"Those differences are stark," Echols said.

Like others, McCortney, the former Senate majority leader, said there is more than one answer to the question of why voters ousted their incumbent leaders. "When you're in a runoff, it's expected to be a fight," he said.

"I don't think anyone knows the full answer," he said. "It's not consistent ideologically, it's not just different groups who went in here or lose in there," McCortney said. "I don't know that anyone has really figured out the pattern. Except, perhaps, low-turnout

"This may be the only time in the political history of this state, that the pro tempore, speaker, the floor leaders, the appropriations chairman in both the House and the Senate all are departing the same year."

elections are bad for incumbents."

Since his loss in June, McCortney said he's been contacted by many voters who didn't believe there was a problem in his race, and stayed home.

"In my race I have had an incredible number of people - the people that I worked with, the people that were engaged, the people I was shoulder to shoulder fighting on issues with - who, on some level admitted to me they didn't think there was any way I would lose, and so they didn't vote," he said.

Low voter turnout an issue

Hobson, Echols and McCortney all agreed that low voter turnout has been and continues to be a problem in Oklahoma elections. "It affects elections, there is no doubt," McCortney said.

Data underscores this. Several studies have shown Oklahoma has some of the lowest voter turnout rates in the nation. In 2020, Michael McDonald, a political science professor at the University of Florida told Tulsa television station KTUL that Oklahoma was "near the bottom of the pack" for voter turnout.

Solving the problem will be difficult, Echols said. "Primaries are family fights," he said. "One thing that became clear is that voter turnout in a lot of these races was abysmally low and its what decides the races. We have to find a way to increase engagement inside the political process."

Both Wallace and McCortney's races, Echols said, went extremely negative. Those types of races need to be analyzed to help prepare for future campaigns, Echols said. "We need to go back and learn lessons from these races about what gets out voters and what doesn't," he said. "That's the only thing

left to do."

And what about next year?

With new leadership guaranteed in both chambers of the Legislature, the 2025 session could be contentious. Even though the Senate and House are both expected to have GOP supermajorities, not only will they have new leaders, the will have new chairpersons of what is considered the most powerful legislative committee: Appropriations.

House Democrats say they have their concerns, too. Wallace's loss raises questions about the recently announced investigation of the Oklahoma State Department of Education by the Legislative Office of Fiscal Transparency, state Rep. Mickey Dollens said.

"I'm not sure what's going to happen there," Dollens said. "Since 2016, Chairman Wallace has always been the one to present the budget to Democrats. He's been available to answer questions about the budget. Now we have new players."

The leadership of the House will go to Republican Rep. Kyle Hilbert, of Bristow. Dollens said he expects Hilbert to do well, but that the fallout could cause the GOP caucus double down on cultural war issues and possibly move the caucus further to the right in an effort to avoid future primary confrontations.

"It think this is another really good reason on why we need open primaries in Oklahoma," he said. "It gives candidates the chance to campaign to a broader electorate and not have to worry about pandering to the fringe bases in order to win a primary."

Open primaries, Dollens said, would eliminate the continued election of far right fringe candidates being elected.

In addition to all he legislative changes, Stitt is expected to push hard for his agenda during his final two years in office. The governor has already gone public with another call for additional tax cuts and what some lawmakers call, legacy building legislation.

Still, even with a difficult session expected, both McCortney and Echols say they expect that the Legislature, in the end, will do the right thing, without saying what, exactly, that meant.

"The degree of difficulty has gone up, but I think there will be strong leadership on both sides," McCortney said. And even though neither he nor Wallace will be in office next year, McCortney said he remains positive.

"I think everything will be OK," he said.

TO OBTAIN THE BENEFITS OF THIS PROPOSED SETTLEMENT, YOU DO NOT HAVE TO DO ANYTHING.

I. General Information About the Litigation

The Litigation seeks damages for Defendants' alleged failure to pay statutory interest on allegedly late payments under Oklahoma law. Defendants expressly deny all allegations of wrongdoing or liability with respect to the claims and allegations in the Litigation. The Court has made no determination with respect to the merits of any of the parties' claims or defenses. A more complete description of the Litigation, its status, and the rulings made in the Litigation are available in the pleadings and other papers maintained by the United States District Court for the Western District of Oklahoma in the file for the Litigation.

II. The Settlement, Plaintiffs' Attorneys' Fees, Litigation Expenses, Administration, Notice, and Distribution Costs, Case Contribution Award, and The Settlement Allocation and Distribution To The Class

On July 23, 2024, the Court preliminarily approved a Settlement in the Litigation between Plaintiffs, on behalf of themselves and the Settlement Class, and Defendants. This approval and this Notice are not an expression of opinion by the Court as to the merits of any of the claims or defenses asserted by any of the parties to the Litigation, or of whether the Court will ultimately approve the Settlement Agreement.

In settlement of all claims alleged in the Litigation, Defendants have agreed to pay Four Million Two Hundred Thousand Dollars (\$4,200,000.00) in cash ("Gross Settlement Fund"). In exchange for this payment and other consideration outlined in the Settlement Agreement, the Settlement Class shall release the Released Claims (as defined in the Settlement Agreement available for review and download at www.wakevmachbce.com) against the Released Parties (as defined in the Settlement Agreement). The Gross Settlement Fund, less Plaintiffs' Attorneys' Fees and Litigation Expenses and Administration, Notice, and Distribution Costs, Case Contribution Award, and any other costs approved by the Court (the "Net Settlement Fund"), will be distributed to final Class Members pursuant to the terms of the Settlement Agreement. The Settlement Agreement also includes Future Benefits.

Class Counsel intends to seek an award of Plaintiffs' Attorneys' Fees of not more than 40% of the Gross Settlement Fund. Co-Lead Class Counsel Brady L. Smith and Harry "Skeeter" Jordan of Brady Smith Law, PLLC and Randy C. Smith of Randy C. Smith and Associates have been litigating this case without any payment whatsoever, advancing thousands of dollars in expenses. At the Final Fairness Hearing, Plaintiffs' Counsel will also seek reimbursement of the litigation and administration expenses incurred in connection with the prosecution of this Litigation and that will

be incurred through final distribution of the Settlement, which is estimated to be approximately \$350,000.00. In addition, Plaintiffs intend to seek a case contribution award for its representation of the Class, which amount will not exceed 2% to compensate Plaintiffs for their time, expense, risk, and burden as serving as Class Representatives.

The Court must approve the Allocation Methodology, which describes how the Settlement Administrator will allocate the Net Settlement Fund. The Net Settlement Fund will be distributed by the Settlement Administrator after the Effective Date of the Settlement. The Effective Date requires the exhaustion of any appeals, which may take a year or more after the entry of Judgment. The Settlement may be terminated on several grounds, including if the Court does not approve or materially modifies the terms of the Settlement. If the Settlement is terminated, the Litigation will proceed as if the Settlement had not been reached.

This Notice does not and cannot set out all the terms of the Settlement Agreement, which is available for review at www.wakevmachbce.com. This website will eventually include this Notice, the Plan of Allocation, and Plaintiff's Counsel's application for Plaintiffs' Attorneys' Fees and Litigation Expenses and other costs. You may also receive information about the progress of the Settlement by visiting the website at www.wakevmachbce.com, or by contacting the Settlement Administrator at the address set forth above.

III. Class Settlement Fairness Hearing

The Final Fairness Hearing will be held on November 4, 2024, beginning at 10:00 a.m., before the Honorable Joe Heaton, U.S. District Judge for the Western District of Oklahoma, 200 NW 4th Street, Oklahoma City, OK 73102. Please note that the date of the Fairness Hearing is subject to change without further notice. You should check with the Court and www.wakevmachbce.com to confirm no change to the date and time of the hearing has been made. At the Fairness Hearing, the Court will consider: (a) whether the Settlement is fair, reasonable, and adequate; (b) any timely and properly raised objections to the Settlement; (c) the Allocation Methodology; (d) the application for Plaintiffs' Attorneys' Fees and Litigation Expenses and Administration, Notice, and Distribution Costs; and (e) the application for the Case Contribution Award for the Class Representatives.

A CLASS MEMBER WHO WISHES TO PARTICIPATE IN THE SETTLEMENT AND DOES NOT SUBMIT A VALID REQUEST FOR EXCLUSION DOES NOT NEED TO APPEAR AT THE FINAL FAIRNESS HEARING OR TAKE ANY OTHER ACTION TO PARTICIPATE IN THE SETTLEMENT.

IV. What Are Your Options As A Class Member?

A. You Can Participate in the Settlement by Doing Nothing

By taking no action, your interests will be represented by Plaintiffs as the Class Representatives and Plaintiffs' Counsel. As a Class Member, you will be bound by the outcome of the Settlement, if finally approved by the Court. The Class Representatives and Plaintiffs' Counsel believe that the Settlement is in the best interest of the Class, and, therefore, they intend to support the proposed Settlement at the Final Fairness Hearing. As a Class Member, if you are entitled to a distribution pursuant to the Allocation Methodology, you will receive your portion of the Net

Settlement Fund, and you will be bound by the Settlement Agreement and all orders and judgments entered by the Court regarding the Settlement. If the Settlement is approved, unless you exclude yourself from the Settlement Class, neither you nor any other Releasing Party will be able to start a lawsuit or arbitration, continue a lawsuit or arbitration, or be part of any other lawsuit against any of the Released Parties based on any of the Released Claims.

B. You May Submit a Request for Exclusion to Opt Out of the Settlement Class

If you do not wish to be a member of the Settlement Class, then you must exclude yourself from the Settlement Class by mailing a Request for Exclusion. All Requests for Exclusion must include: (i) the Class Member's name, address, telephone number, and notarized signature; (ii) a statement that the Class Member wishes to be excluded from the Settlement Class in *Wake Energy, LLC, et al., v. BCE-Mach LLC, et al.*; and (iii) a description of the Class Member's interest in any wells for which it has received payments from Defendants, including the name, well number, county in which the well is located, and the owner identification number. Requests for Exclusion must be mailed by certified mail, return receipt requested and received **no later than 5 p.m. CT on October 14, 2024**, as follows:

Robinson Ave Oklahoma City, OK 73102	Patrick L. Stein McAfee & Taft, A Professional Corporation 8 th Floor, Two Leadership Square 211 N. Robinson Ave Oklahoma City, OK 73102

If you do not follow these procedures—including mailing the Request for Exclusion so that it is received by the deadline set out above—you will not be excluded from the Settlement Class, and you will be bound by all of the orders and judgments entered by the Court regarding the Settlement, including the release of claims. You must exclude yourself even if you already have a pending case against any of the Released Parties based upon any Released Claims during the Claim Period. You cannot exclude yourself on the website, by telephone, facsimile, or by e-mail. If you validly request exclusion as described above, you will not receive any distribution from the Net Settlement Fund, you cannot object to the Settlement, and you will not have released any claim against the Released Parties. You will not be legally bound by anything that happens in the Litigation.

C. You May Remain a Member of the Settlement Class, but Object to the Settlement, Allocation Methodology, Plan of Allocation, Plaintiffs' Attorneys' Fees, Litigation Expenses, Administration, Notice, and Distribution Costs, or Case Contribution Award

Any Class Member who wishes to object to the fairness, reasonableness, or adequacy of the Settlement, any term of the Settlement, the Allocation Methodology, the Plan of Allocation, the request for Plaintiffs' Attorneys' Fees and Litigation Expenses and Administration, Notice, and Distribution Costs, or the request for the Case Contribution Award to Class Representatives may
